

The problem

FrontendsServer

Browsers

GET /

The diagram consists of five horizontal arrows pointing to the right, stacked vertically. Each arrow represents a GET request. The text for each request is placed above its corresponding arrow.

GET /js/lib.js

GET /js/index.js

GET /style/index.css

GET /style/generic.css

The problem

Browser

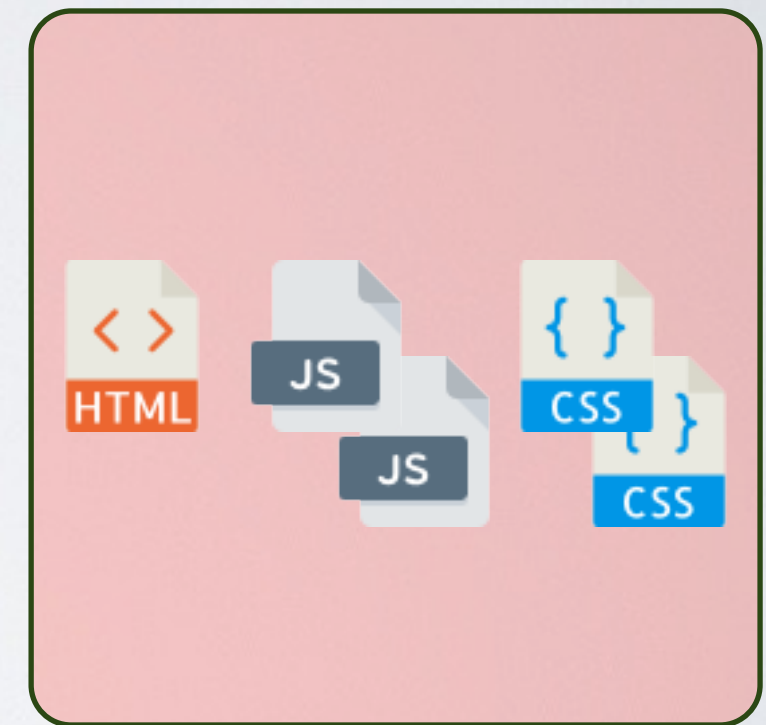

GET /

GET /js/lib.js

GET /js/index.js

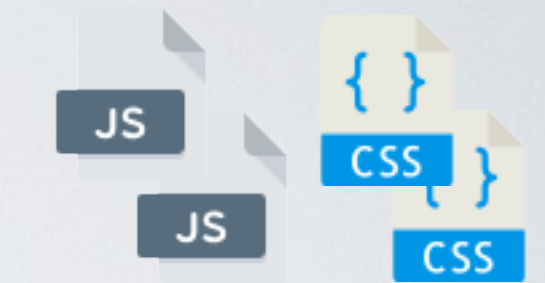

GET /style/index.css

GET /style/generic.css

Frontend Server

The solution - using a frontend packer

Browser

Frontend Server
